Answer the following questions from your own experience:

5. **A)** Your value depends on your abilities. People who have greater abilities than you are more valuable than you. When you lose your abilities, your value will diminish. **B)** Your value comes from the fact that there is a God that wants you to exist. He loves you like a Father and so even when your abilities are not the best, and when other people don't think you are valuable, He still loves you and values you. Which do you prefer?

6. **A)** God exists but in this life he can never be known. **B)** God exists and can be known and experienced in this life. Which would you prefer?
